**The C.O.O.C. 2012 Drive It Day Run Sunday April 22<sup>nd</sup>  
A gentle drive around the Howardian & Hambleton  
Hills Starting at Malton and Finishing at Thirsk**

Starting from Malton Market Place The run will leave at 10.30 am and travel along the B1257 to Hovingham then taking the pretty back roads via Yearsley and Ampleforth passing Byland Abbey and travelling through Coxwold and Kilburn before reaching the Visitor Centre at Sutton Bank for our Lunch Break. After Lunch we leave via the A170 and then take the pretty back roads via Rievaulx Abbey and Hawnby before crossing over the moorland and down in to Osmotherley. If space allows a short break is planned here before we travel on via the often forgotten but very pretty villages of Silton, Kewick, Cowesby and Kirby Knowle. Then on via Upsall Castle and finally arriving at Thirsk for the end of our run around 3pm. Allowing plenty of time to enjoy the town before leaving for Home.

If you require any further information please contact me on 01653 693183 or email [farinaman@btinternet.com](mailto:farinaman@btinternet.com)

A full and detailed route plan will be given out to everyone taking part at the start of our run, which is open to ALL Classic & Vintage Vehicles.

The C.O.O.C. look forward to seeing you and hope you enjoy this event.
