Following the success of our 2011 Scottish Tour and continuing the now very popular theme of an annual tour including a large and popular rally in the chosen area. By Popular demand in 2012 we plan to return to the Highland and Island regions of Scotland starting with a display at the Moffat Rally. Followed by a week of optional days out to places of interest (followed by some great social evenings) including Glen Coe, The Great Glen, and Loch Ness. The Isle of Skye and the Stunning "Bealach Na Ba" pass to Applecross
Entry to this fun packed week is Free and open to ALL Classic & Vintage vehicles. We can supply details of accommodation to suit all. This will be a four-centred tour staying in Moffat, Callander, Portree and finally the Fort William / Onich area To avoid having to cover large distances each day to see the best of the regions we plan to visit.
